

## Welcome to “Cards Across the Benelux”

A brand new holiday tradition...

USAG Benelux Family and Morale, Welfare and Recreation is proud to announce a brand new addition to the way that we celebrate the holidays in the Benelux.

### Who can participate?

The chance to host/create a holiday card is open to all U.S. Military and NATO personnel, DOD civilians, and dependents age 18 years and older. By submitting an entry you agree to have your photo posted on our USAG Benelux Family and MWR Facebook page. Please note that management reserves the right to remove any post that does not follow the guidelines posted on our Facebook page.

### How does it work?

Similar to hosting a trunk for our Trunk or Treat celebration, FMWR is making available to you, your family or unit, a giant blank canvas for you to create your own special holiday greeting card for the community. Completed cards will be displayed prominently on base.

We supply the "card", a 4'x8' primed sheet of plywood (installed in portrait position) you supply the decorations and holiday spirit. Feel free to paint, staple, glue and get creative in your effort to spread a little holiday cheer!

We do ask, however, that you follow the rules of social distancing and family bubble guidelines while creating your holiday masterpiece. In an effort to aid in the social distancing process, the “cards” are pre-installed more than 10 feet from one another, allowing multiple safe “construction” zones. When working on the “card” please keep in mind that only one family bubble at a time/2 unit members at one time (Netherlands)/4 unit members at one time (Belgium) may be present.

### Remember

Participation in the “Cards Across The Benelux” constitutes full and unconditional agreement and acceptance of these rules.

By participating, you agree to follow the Official Rules and hold harmless and indemnify USAG Benelux Marketing Department and the United States Army. No graphic, obscene, explicit or racially degrading names will be accepted.

This event is no way sponsored, endorsed, administered by or associated with Facebook. No Federal Endorsement Implied.
